

BROKER *FLASH* BULLETIN

SeaBright is Your Market for Manufacturers!

January 4, 2011

To Our Valued Brokers:

SeaBright is now the “bright choice” for your manufacturing risks. We are pleased to announce that **we’ve broadened our risk appetite to include manufacturers nationwide!**

Now you can secure SeaBright coverage and top-quality claims, medical management, and loss control services for your manufacturing firm clients.

To qualify, a prospective insured must generate at least \$75,000 in estimated annual premiums. We will accept for consideration a wide variety of risks with light-to-moderate manufacturing exposures. Risks with known direct hazards involving chemicals, vapors, fumes, high temperatures, and occupational disease exposures are ineligible.

Don’t miss your opportunity to take advantage of this new offering from SeaBright! Please contact your SeaBright underwriter today to discuss your upcoming manufacturing prospects.

Sincerely,

Dean Rappleye,
AVP/National Marketing Director
