Industry(s): Gun/Hunt Clubs
Description: The gun clubs can range from an indoor range with sales and services of weapons to outdoor trap, skeet ranges, sporting clay courses, pistol and rifle target practice. The locations of the risks vary from the suburban to rural atmosphere. The split between private and public shooting ranges is about 50/50. Weapons used can be hand guns, rifles, and shot guns. The average premium size for these risks is \$15,000 to \$20,000.
States: All states except NY, WV, and monopolistic states
Minimum Premium: \$5,000
