Workers' Compensation Solutions for Energy Risks

SeaBright and Energy = Synergy

Highlighting Effective, Responsive Claim Service

Expert Loss Control Resources Put Safety in the Spotlight

SeaBright Insurance Company is dedicated to providing responsive service and reliable coverage to meet all of your workers' compensation needs.

The energy industry is essential to our nation's economy. The United States consumes about 1/4 of the world's energy and makes up only 5 percent of the world's population. As oil prices have increased, so has the need for alternative energy sources. As this vital industry and its work force grows, so does the need for an insurer that knows its complex workers' compensation exposures.

SeaBright offers highly effective claims, and loss prevention services, best-in-class underwriting and wide-ranging energy industry expertise. SeaBright is the Bright Choice for energy risks.
