

## Kelley to Lead Business Development in Midwest

December 14, 2010

To Our Valued Brokers

SeaBright is pleased to announce that Steve Kelley has joined our Midwest team as Regional Vice President of Business Development. In this new role, Steve is responsible for profitable new business growth, policyholder retention and product distribution throughout the Midwestern states. He is housed in our Chicago office.

Steve comes to SeaBright with nearly 30 years of insurance industry experience, over half of which were focused on specialty workers' compensation. He served most recently as senior executive for the Midwest division of a national insurer.

Steve reports to Northern Region President Doug Cauti, who said "The Midwest is very important to SeaBright and we are firmly committed to strengthening our presence there. The depth of Steve's experience makes him uniquely qualified to lead the ongoing development of this region, and I'm looking forward to working with him."

Steve will be reaching out to our brokers in the Midwest over the next few weeks and is eager to work with you. If you wish to contact him sooner, please call 312-546-6407 or send an e-mail to [stephen.kelley@sbic.com](mailto:stephen.kelley@sbic.com).

Sincerely,

Dean Rappleve, AVP/National Marketing Director
